- Valid Customer agreements take precedence over Kulite's standard warranty and return policy

**2. RMA Number**

If a customer wishes to return any product, contact Kulite's Customer Service Department via e-mail [customerservice@kulite.com](mailto:customerservice@kulite.com) or by phone (201) 461-0900. A Return Material Authorization ("RMA") number provided by the Customer Service Department is required prior to returning a product to Kulite. RMA request must contain serial number(s) and a short explanation of the complaint.

  - If returned product is determined to be nonconforming with specifications, such products will be replaced free of charge unless otherwise agreed.

## 7. General:

- Kulite maintains a certified FAA, EASA, and CAAC repair station.
- Kulite is an original equipment manufacturer. Kulite certifications are not recalibrations since Kulite products cannot be re-calibrated.
- Kulite does not accept debits for any returned product.
- Kulite does not overhaul its products. Products are non-repairable and no maintenance adjustments can be made. However, Kulite will inspect, retest and recertify, if products are found to be within performance specifications. The recertification does not extend the original warranty period.
